

# PATA QUALITY REVIEW CHECKLIST

Pentecostal Association for Theological Accreditation (PATA)

This checklist is designed to guide institutions in conducting regular internal reviews to ensure compliance with PATA standards within **India and South Asia**.

## Rating Scale

| Score | Description       |
|-------|-------------------|
| 1     | Poor              |
| 2     | Needs Improvement |
| 3     | Adequate          |
| 4     | Good              |
| 5     | Excellent         |

## Evaluation Criteria

| Area              | Criteria                            | Rating (1–5) | Status | Comments |
|-------------------|-------------------------------------|--------------|--------|----------|
| Governance        | Effective governing board           |              |        |          |
| Governance        | Board understands PATA standards    |              |        |          |
| Mission & Vision  | Alignment with Pentecostal values   |              |        |          |
| Mission & Vision  | Clear strategic goals               |              |        |          |
| Curriculum        | Biblical and Pentecostal foundation |              |        |          |
| Curriculum        | Measurable learning outcomes        |              |        |          |
| Curriculum        | Regular review of content           |              |        |          |
| Faculty           | Qualified faculty members           |              |        |          |
| Faculty           | Ongoing faculty development         |              |        |          |
| Faculty           | Commitment to doctrine              |              |        |          |
| Student Services  | Active spiritual programs           |              |        |          |
| Student Services  | Academic support systems            |              |        |          |
| Student Services  | Fair grievance handling             |              |        |          |
| Facilities        | Adequate infrastructure             |              |        |          |
| Facilities        | Library resources                   |              |        |          |
| Facilities        | Technology support                  |              |        |          |
| Financial         | Sound financial management          |              |        |          |
| Financial         | Budget supports programs            |              |        |          |
| Quality Assurance | Regular self-assessment             |              |        |          |
| Quality Assurance | Continuous improvement tracking     |              |        |          |
| Compliance        | Legal and regulatory compliance     |              |        |          |
